Attached is a brief study on the Banknote Counting Machine. Actually the machine is a verifier, i.e. it verifies that there are 100 notes in a package. It does not verify the denominations.

Note: We could have used such a machine yesterday when we received [REDACTED] With Doris out and Hank in accounts, Cid had to spend the entire afternoon counting notes.

When you have decided a course of action we will be glad to write the reply to [REDACTED] inquiry.
